

Agreed Report
Board of Management
25th October 2016

- The minutes of the Board of Management meeting on the 21st September 2016 were proposed, seconded and signed off by John Ward, acting chairperson.
- The Board thanked Maeve McDermott for her willingness to undergo coordinators training for healthy schools and to lead the Healthy Schools initiative with her committee composed of staff and student volunteers. The committee will plan events relating to Mental Health for the coming year.
- A risk register for each room has been established for the current year. All risks coded red and yellow are being addressed in the short to medium term. The Board thanked all staff for completing the risk assessment templates and Mr. Flynn for compiling the risk register.
- Mr. McGovern gave a presentation on School Self Evaluation and showed all Board members how to access the school self-evaluation reports and school improvement plans for the four selected topics that relate to teaching and learning. The Board was also shown the yearly monitoring for each of the targets in the areas covered by school self-evaluation.
- The Board were updated on the preparation for Junior Cycle that has taken place to date in Corran College.
- A handout was given to each Board member on the recommendations of previous inspections in TG and DCG, Irish, CSPE and Geography from 2010 to date and how these recommendations were addressed by management and teachers in these subject areas.
- Noreen Waters, secretary of the Parent's Association, gave a presentation to the Board of Management on the role and their priorities of the Parent's Association for the current school year.
- A detailed Principal's Report outlining all curricular, extracurricular and CPD events since the last Board of Management meeting was presented and questions taken on same.
